

PURIFICATION OF IHHL DATA AND ODF VERIFICATION MOBILE APPLICATION – SBM (GRAMIN)

- The ODF protocol to be followed for declaration of village/GP as ODF is already communicated to all the District Collectors which can be downloaded from S.No.248 under GOs/Circulars/Guidelines of our website <http://sac.ap.gov.in>.
- During the inter-mandal verification of ODF each and every household need to be verified whether they are having a toilet or not. For this purpose a mobile application “Swabhiman Andhra Pradesh” is developed.
- The mobile application can be downloaded by clicking the following link: <http://bit.ly/2u5oXhA>; for User Manual (PDF): <http://bit.ly/2uIHxq0>
- The same mobile application can also be used for purification of the BLS-2012 data. The households not having toilets can be captured using this mobile application and updated in the IMIS & CFMS. No separate verification/purification of BCS-2012 is required.
- PDF document on usage of this application can be downloaded from Sl.No.253 under GOs/Circulars/Guidelines of our website <http://sac.ap.gov.in>.
