DO No. CPCB/PWM/2016
Dated: 4th January, 2017

Dear Shri R. Karikal Valven,

As you are aware, every local body is required to prepare and submit an Annual Report on plastic waste management to the concerned Secretary In-charge of Urban Development Department in the State Government/ Union Territory by 30th June every year and based on this report each State Pollution Control Board (SPCB)/ Pollution Control Committee (PCC) is required to prepare and submit an Annual Report to the CPCB by 31st July, every year.

However, it has been observed, that this requirement under the rules (rule 17(2) and rule 17(3) of the Plastic Waste Management Rules, 2016) is not being met by many local bodies.

Therefore, it would be appropriate that local bodies under your charge are given instructions to adhere to the rules, failing which necessary action under law will have to be initiated against the defaulters. I would therefore request you to kindly place this item on the agenda of your meetings with urban local bodies which I presume are being held on monthly or quarterly basis.

I look forward to an early response in the matter and convey my best wishes to you for the New Year.

With regards,
