Attention is invited to the subject and reference cited above.

The Additional Mission Director has informed that in addition to the earlier clarifications / modifications, the Ministry has made following two additional changes in the Swachh Survekshan 2018 Tool Kit.

- a. Part-I: Section-3 'Sanitation:ODF' Indicator 3.1 'ODF Status': If city failed re certification process, the city now get 'Zero(0)' mark in place of 55 currently given. Since the city has failed to re certified as ODF, the scenario/situation qualifies as Non-ODF.
- b. Part 2-A Independent Validation: if 100% selected samples mismatched or negative response received from 100% respondents, marks obtained against the same indicator in Part-I will become 'Zero (0)'.

Therefore, it is requested to note of the above clarifications and align your Swachh Survekshan-2018 preparations accordingly.

Yours faithfully,
