Attention is invited to the subject and reference cited.

Vide reference cited, the Municipal Commissioner of GVMC has informed that the as per the guidelines of SBM, the ULBs in achieving ODF status must ensure that all the households should have Individual Household Toilets ((IHHTs) for which the eligible candidates can apply for the IHHTs. The ULB verifies the eligible candidate`s applications and enters their details in the SBM website.

In this regard, the Municipal Commissioner has requested to clarify whether the old data has been entered into SBM site and whether the new applications of IHHT for 2018-2019 can be entered into SBM website or should be continued as previously into the SAC website.

In view of the above, it is to inform that new applications of IHHT for 2018-19 shall be sanctioned and entered in SAC website only, uploading of data in to the SBM website will be done by SAC as is being done currently.

Yours faithfully,
