Attention is invited to the subject and reference cited.

It is to inform that vide reference cited letter was addressed to JS & MD, SBM (U) MoHUA GoI for integration of Pura Seve app with Swachhta App and the same is in progress.

Now all the ULBs in our State are using the Pura Seva app for redressal of grievances in their respective ULBs and it is requested to continue the same. It is also to inform that a request has been made to the GoI, for forthcoming SS-2018 to consider Pura Seva for ranking of cities in SS 2018. Some of the ULBs who are already using their own Apps other than Pura Seve and Swachhta App are requested to integrate the data with Swachhata App so that their ranking will not be effected during the SS 2018. However, they are requested to switch to Pura Seva app in future.

Further, it is requested to note the mobile number (+91 9845450563) of Mr.Veeraraghvan, who is coordinating for integrating ULB apps with Swachhta App.

Therefore, all the Commissioners are requested to be in touch with the above official for any type of help in integration our Pura seve app and Local apps with Swachhta app if any.

Yours faithfully,
D MURALIDHAR
