You are aware that the Bill and Melinda Gates Foundation has taken up on ambitious project to establish treatment plants for management of sludge in urban Local Bodies of Andhra Pradesh. Land has already been identified in 28 places in Urban Local Bodies. The Foundation would like to establish the treatment plants in all identified places during this year. In 21 places, as informed during Chief Minister's vide Conference today, land is to be identified for erection of Faecal Sludge Treatment Plants. By August 10th all the Collectors must get suitable lands identified and hand over to Municipal Authorities. If alienation of these lands is initiated, advance possession can be permitted.

It is therefore requested that immediate necessary action may be taken to hand over the identified land to the Foundation on or before 10th August, 2019 and submitted a report to this office immediately.
