

To
All the Municipal Commissioners,
MA & UD Department,
Andhra Pradesh.

File No :77(2)/SAC/COO(S)2016, dt: 22.01.2018.

Sub: SAC- Development of Database Management System and IMIS dashboard for SBM(Urban)- Updation of data formats every month-Reg.

Ref: Lr.No.949094/B2/2017, dt: 09.01.2018, of Deputy Secretary, MA & UD Department, Andhra Pradesh.

@@@@@@@

Attention is invited to the subject and reference cited.

The Joint Secretary & Mission Director has informed that to strengthen the monitoring of progress under Swachh Bharat Mission (Urban) through transparent and consistent reporting of physical and financial parameters, a database management system and MIS dashboard has been developed.

This database was launched by the Hon'ble MoS(I/C) for MoHUA on 24th November 2017 during the National Workshop on 'Accelerating Implementation of Urban Missions' in New Delhi.

The key benefits that we envisage from this MIS include the following:

- i. Improved information governance : The DBMS/Online MIS will enhance coordinating and seamless information flow between Centre, State and ULBs.
- ii. Transparency: The online system will help in consistency and authenticity of information thereby reducing the effort of validation and manual verification.
- iii. Decision Making : The system will also have record of all the revisions made by the Ministry during the VCs & State reviews. Such information will help the concerned state to monitor the targets of such review meetings.
- iv. Data Analytics : Data analytics will help in analyzing the data on the basis of :
 - a. State wise progress

- b. Population wise analysis
- c. Categorization of ULBd
- d. Integrated plant production stats
- e. Compost/Energy production stats
- f. Recommendation on SWM models/best practices/processing technology.

The dashboard is now accessible to all Municipal Commissioners of the ULBs for monthly updating the progress of ODF status, Solid Waste Management status, details of Waste processing projects etc.

The ULBs can login to the www.swachhbharaturban.in website using login credentials and update the requisite forms provided under the State/Cities tab on at least monthly basis by 2nd of every month. Further, data submitted by the ULBs is reconciled with information submitted by State Mission Director. States/ULBs may write to sbmurban.moud@gmail.com for any queries regarding this dashboard.

Therefore, all the Commissioners are requested to update the ULB data in NIC site by 2nd of every month and send a copy of the data to the undersigned also without fail.

Yours faithfully,
D MURALIDHAR REDDY, IAS
MANAGING DIRECTOR

Encl: As above.

Dated 11th December, 2017

Dear Sh. Valven.

In our continued efforts to strengthen the monitoring of progress under Swachh Bharat Mission (Urban) through transparent and consistent reporting of physical and financial parameters, a database management system and MIS dashboard has been developed.

2. This database was launched by the Hon'ble MoS (IC) for Housing and Urban Affairs on 24th November 2017 during the National Workshop on 'Accelerating Implementation of Urban Missions' in New Delhi.

3. The key benefits that we envisage from this MIS include the following:

- i) Improved information governance: The DBMS/Online MIS will enhance coordination and seamless information flow between Centre, State and ULBs.
- ii) Transparency: The online system will help in consistency and authenticity of information thereby reducing the effort of validation and manual verification.
- iii) Decision Making: The system will also have record of all the revisions made by Ministry during VCs & State reviews. Such information will help the concerned State to monitor the targets of such review meetings.
- iv) Data Analytics: Data analytics will help in analyzing the data on the basis of:
 - (a) State wise progress
 - (b) Population wise analysis
 - (c) Categorization of ULBs
 - (d) Integrated plant production Stats
 - (e) Compost/Energy production stats
 - (f) Recommendation on SWM models / best practices/ processing technology

...2/-

// 2 //

4. The dashboard is now accessible to your office, all State Mission Directors of your state, and Municipal Commissioners of all your ULBs, for monthly updating the progress of their ODF Status, Solid Waste Management Status, details of Waste Processing Projects, etc.

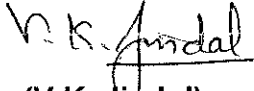

5. In view of the above, it is considered that effective implementation of this system will be in mutual interest of both Centre and States, laying the foundation for effective monitoring of the mission progress.

6. I request you to ensure that requisite forms provided in www.swachhbharaturban.in under the States/Cities tab are updated by the ULBs and the State Mission Directorate on at least monthly basis by 2nd of every month. Further, data submitted by ULBs is reconciled with information submitted by State Mission Director. States / ULBs may write to sbmunban.moud@gmail.com for any queries regarding this dashboard.

I look forward to your continuous support in Swachh Bharat Mission.

With regards,

Yours sincerely,

(V.K. Jindal)

Shri R. Karikal Valven,
Principal Secretary,
Municipal Administration & Urban Development,
Government of Andhra Pradesh,
L Block, G. Floor,
Room No. 105, A.P. Sectt.
HYDERABAD.
