Sub: SAC- Monitoring and Cleanliness of Public / Community  
Toilets through Information Communication Technology (ICT)  
implemented in GVMC- Instructions - Issued- Reg.

Ref: Letter No- LrE-OFFICE.No.25074/2017/F2/PH, dt:  
29.09.2017, of Municipal Commissioner, Greater Visakhapatnam  
Municipal Corporation.

@@@@@@

In the reference cited above, the Commissioner, GVMC has  
requested that there is a need to provide platform by which various  
stake holders can continuously monitor the cleanliness through  
information Communication Technology (ICT) to capture real time  
feedback from the actual users of these toilets. It is also requested to  
release the required funds from Swachha Bharat Mission at an early  
date to implement ICT based toilet monitoring system in GVMC.

In this regard, it is to inform that since there is no separate  
budget allocated under SBM (U), for monitoring and maintenance of  
CTs/PTs, the Commissioner, GVMC is requested to take necessary  
action at his level with the funds available with GVMC.

Yours faithfully,
