Government of Andhra Pradesh

#501, NCL Kaveri-I Apartments, Shanthi Nagar,  
Masab Tank, Hyderabad – 500028.

Letter No. 61 / SAC/CE/F6 / 2015

Dated: 13-08-2015

Sir,

Sub: Swachh Bharat Mission – Swachha Andhra Corporation – e  
learning platform – Reg.

Ref :1.D.O.No.15/7/2015-SBM of Joint Secretary, Ministry of Urban  
Development, New Delhi, Dt.28-07-2015.

With reference to above GoI has launched an e-learning  
platform consisting of various modules concerned with sanitation at  
field level to support capacity building under Swachh Bharat Mission.

Hence I invite you to explore these modules by clicking on the  
“e-Courses” on the website [https:// swachhbharaturban.gov.in/ ISNA  
Home.aspx](https://swachhbharaturban.gov.in/ISNAHome.aspx). This take you to the home page of the e-course at [https://  
swachhbharat.cloudapp.net/](https://swachhbharat.cloudapp.net/). Here adopted the process of learning  
through study of successful practices, rather than mere theoretical  
information. You will note that the pedagogy includes a video and a  
power point presentation highlighting the perspective of the originator of  
the successful practice being studied. This followed by a spoken  
tutorial, which deals with the mechanisms and necessary theory in an  
interesting way. The student may go through the material at his own  
pace at the end of which he can register and take an objective test, also  
include in the module, to gauge his understanding of the subject  
matter.

Currently SBM developed packages on Community toilets, Collection and Transportation of MSW and the DRDO-Biodigester. By the end of the year, SBM aim to have at least 50 different modules covering the entire gamut of sanitation and also get them dubbed in different languages.

The content is designed in such a way that an average municipal employee may be able, with 4-6 hrs of effort, to attempt the test. Experts will also be available to assist the student through online live-support for a certain number of days. For this, the Ministry has linked up with National Institute of Urban Affairs(NIUA), Delhi and Microsoft learning, who will provide the necessary course content and teaching faculty. As soon as the candidate clears the module test, a certificate will be generated automatically and e-mailed to the individual with a copy to his office head. In future, SBM intended to integrate these certificates with some college/institute.

Officials listed below hereunder , are available for any clarification in this regard:-

- a) Jagan Shah, Director, NIUA – 09810215768
- b) Rohit Kakkar, Dy. Advisor (PHE) MoUD – 08750622900
- c) Siddarth Prakash, Microsoft – 07829550551

Hence I request all the Municipal Commissioners to convey the information to all the staff from

- a) From Work Inspector to Chief Engineer
- b) From Sanitary Inspector to MHO
- c) From Clerk to Manager/Superintendent

d)From Building Inspector to City Planner  
e)From Revenue Inspector to Revenue Officer  
and Other Officials to learn from these modules.

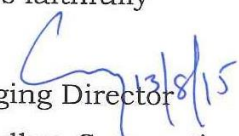

We wait your feedback

Yours faithfully

Hyderabad
