

New Features in SAC: To capture CT/PT/School Toilet/OD Site details

1. New Data entry screen will be given to capture Community/Public/School Toilet/OD Site details.

a. Link path: CO login -> IHT Beneficiaries -> Survey for Community/Public/School Toilet

The screenshot shows the Swachha Andhra Corporation dashboard. The left sidebar contains a menu with the following items: IHT Beneficiaries, Add Beneficiary Details, Survey for Community / Public / School Toilet (highlighted with a red circle), Declare ODF Wards, Edit Survey Details for Community / Public / School Toilet, Progress Of Community Toilets, Progress Of Public Toilets, Administration, and IHT Beneficiary Payments. The main content area displays a welcome message, a role indicator 'Computer Operator1', and a list of messages from the Director and Web Master (TCS). At the bottom, there are 'Do's' and 'Don'ts' sections.

b. Click on the link, it will redirect to below screen:

The screenshot shows the 'Survey Details for Community/Public/School Toilet (to be filled up By ULBs)' form. The form is divided into several sections: State (Andhra Pradesh), District (Nellore), and Municipality (Sullurpet). The form fields include: NAME OF ULB (Sullurpet), TYPE OF TOILET / WORK (highlighted with a red arrow), SCHOOL TYPE (Public, Community, School, Open Defecation Site), LOCATION IMAGE DETAILS, OWNED BY, MAINTAINED BY, STATUS OF THE TOILET, WATER AVAILABILITY, WATER SOURCE, TOILET MAINTENANCE, TOILET USED BY, NO. OF SEATS (Men, Women, Urinals, Showers), FEES COLLECTED FOR, AVERAGE NO. OF USERS(ENTER FIGURE)ALL, TOILET TYPE, ELECTRICITY, RECOMMENDATIONS OF ULB, WARD NUMBER (020, highlighted with a red circle), LOCATION / NAME OF THE SCHOOL, NAME OF THE ORGANISATION (IF PRIVATE), TOILET COMPLETION, WATER AVAILABILITY IN HOURS, TOILET TIMING (TO, TO), USER TYPE, COLLECTION / DAY(ENTER AMOUNT), WATER STORAGE, CARETAKER, and IF ADDITIONAL SEATS REQUIRED, NO OF SEATS. The form includes 'Submit Survey Details' and 'Reset' buttons at the bottom.

2. Select 'Ward number' then select 'Type of Toilet' i.e. Public or Community or School Toilet or Open Defecation Site. Based on the selection, location details will be displayed in 'Location / Name of the school' column drop down. All the locations which are getting in this drop down & 'Status of Toilet' and 'Toilet Completion date' will be displayed based on the mobile uploaded details only. Enter all the details and finally click on 'Submit Survey Details' button to save the details. Here we can check the uploaded images by click on 'Images for location' link for that particular selected location.
