Lr.No.SAC/COO/F.No.77-1/2018, Dated:13/06/2018

Sub: Swachh Bharat Mission - Solid Waste Management in the ULBs using Solid Waste Appropriate Technology Tool - Communication to all the ULBs in the state for taking necessary action - issued - reg.

Ref: 1. Lr. No. 1330084/B2/2018, Date: 28.05.2018.

2. D.O. Letter from J.S & MD, SBM, Date: 03.05.2018.

1. With reference to the letters vide 1st and 2nd cited, this is to inform that Swachh Bharat Mission has targeted for 100 % scientific disposal of Municipal Solid Waste and in this regard CPHEEO in association with GIZ has developed an IT enabled tool "Solid Waste Appropriate Technology Tool" which will help the ULBs for quick decision making in selecting appropriate technology for disposal and processing of municipal solid waste.

2. This tool is excel based and can be run on any computer. It examines several alternative technical options for solid waste management to select the most sustainable option. This tool enables the ULBs to crosscheck the DPRs prepared by consultants, whether the technology option provided for their ULB is beneficial in long run or not. The tool is available on www.swachhbharaturban.in. and queries in this regard can be addressed to Shri. J.B Ravinder, Joint Adviser, CPHEEO, email- jbravindernic.in.

3. In view of the above, you are requested to download the SW-AT Tool from SBM website, utilize the tool and provide the feedback on its utility to Swachh Bharat Mission.

D MURALIDHAR REDDY, IAS

MANAGING DIRECTOR

To

The Commissioners of 110 ULBs for taking necessary action in this matter.

Copy Submitted to:

The Principal Secretary to GoAP, MA&UD, A.P Secretariat for kind information.

The Director of Municipal Administration, Gorantla for kind information.
