MA & UD Department,
Government of Andhra Pradesh

Lr. No. 149 SAC / CE / F.No.12 /2015, Date: 16.02.2016

To
All the Municipal Commissioners

Sir/Madam,

Sub: SAC-Uploading of Information on various types of equipments /vehicles procured by ULBs as well as solid waste processing and disposal facilities set up so far on SBM website– Reg.

Ref: D.O.No.16019/1/2016-CPHEEO, Dated: 12/02/2016.

With reference to above please find the enclosed letter of Joint Secretary & Mission Director (SBM), to facilitate the details on procured equipment's/vehicles along with their photographs as well as setting up of solid waste processing and disposal facilities to improve the solid waste management since launch of SBM in 2014, on SBM website www.swachhbharaturban.gov.in under state/cities sub head under ward level data where an input data format is created especially for this purpose. Similarly, solid waste processing and disposal data may be got uploaded under city level data.

Therefore I request all the Municipal Commissioners to ensure early uploading of solid waste management data on SBM website.

Yours faithfully,

Encl: As above

D.O No. 16019/1/2016-CPHEEO

Dated: 12th February, 2016

Dear Sir/Madam,

As you are aware, Ministry of Urban Development (MoUD), together with States, is assisting cities to improve its sanitation status under Swachh Bharat Mission (SBM) with target to clean India by 2nd October 2019. Since launch of SBM in 2014, states/cities have undertaken several steps including the procurement of equipment/vehicles as well as setting up solid waste processing and disposal facilities to improve solid waste management, which is an important component of SBM.

2. To have a robust data base and also to closely monitor the progress of implementation of Solid waste management in the cities, respective ULBs need to upload the equipment/vehicles, along with their photographs, procured since launch of SBM in 2014, on SBM website www.swachhbharaturban.gov.in under state/cities sub-head under ward level data where an in put data format is created especially for the purpose. Similarly, solid waste processing and disposal data may be got uploaded under city level data.

3. Therefore, I request you to ensure early uploading of data on various types of equipment/vehicles procured by cities as well as solid waste processing and disposal facilities set up so far on SBM website.

With regards,

Yours sincerely,

(Praveen Prakash)
