

To
All the District Collectors,
Andhra Pradesh.

File.No: 88/SAM/COO(S)/gEN/2017, dt: 15.06.2018.

Sir,

Sub: SAC-Entry of all toilets built from non-SBM(G) funds in the IMIS website and entry of beneficiaries of 2013-14 – Requested – Reg.

Ref: S-18011/09/2018-SBM, dt:14.06.2018, of the Joint Secretary, SBM(G), Ministry of Drinking Water and Sanitation (MoDWS).

@@@@@@

Attention is invited to the subject and reference cited and please find the enclosed copy of the attachment.

Vide reference cited, the Joint Secretary, SBM(G), Ministry of Drinking Water and Sanitation has informed that the entry of toilets in the IMIS of SBM(G) is limited to those households that exist on IMIS and that are financed from SBM(G). Districts have also confirmed that there is an increased number of toilets that have been built / are being built from various sources including self-investment, Corporate funding, PMAY, MGNREGS, Development Partners etc., which have not been entered in the IMIS of the SBM(G). It is important that such toilets are also entered in the IMIS to reflect the reality.

Therefore, it is requested to issue necessary instructions to SE RWS & S to enter of all toilets built in villages in the above mentioned schemes irrespective of their funding source in the IMIS. There is a module named "C23" already available on the IMIS which can capture toilets that have been built from non-SBM(G) funding sources and also reported progress in the year 2013-14 providing number of beneficiaries that have built their toilets. The beneficiaries reported for 2013-14 need to be updated with names in the IMIS. The same can be done using "C21" module available on the IMIS website.

Yours faithfully
D MURALIDHAR REDDY, IAS
MANAGING DIRECTOR

Encl: As above.

To,

**Additional CS/Principal Secretaries/Secretaries In-charge of Rural Sanitation
All States/UTs**

Subject: Entry of all toilets built from non SBM-G funds in the IMIS of SBM-G and entry of beneficiaries of 2013-14

Reference: D.O.No.S-18011/14/2017-SBM dated 20.4.2018

Madam/Sir,

In continuation with the MDWS letter under reference and subsequently with a visit to States and Districts, it has been confirmed that the entry of toilets in the IMIS of SBM-G is limited to those Households that exist on our IMIS and those that are financed from SBM-G. States have also confirmed that there is an increased number of toilets that have been built/are being built from various sources including Self-investment, Corporate funding, PMAY, MNREGS, Development Partners etc. which have not been entered in the IMIS of the SBM-G. It is important that such toilets are also entered in the SBM-G IMIS to reflect the reality.

This is to request you to ensure entry of all toilets built in villages, irrespective of their funding source, in the IMIS of the SBM-G. There is a module named "C23" already available on the IMIS of SBM-G which can capture toilets that have been built from non SBM-G funding sources.

States have also reported progress in 2013-14 providing number of beneficiaries that have built their toilets. The beneficiaries reported for 2013-2014 need to be updated with names in the IMIS. The same can be done using C-21 module available on the IMIS.

States are advised to initiate a drive to ensure entry of all non SBM-G financed toilets and entry of details of beneficiaries reported in numbers for year 2013-2014 by end of June 2018.

Trust you will personally supervise this exercise and keep the Ministry updated on the progress.

Yours faithfully

(Arun Baroka)

Joint Secretary, SBM-G
