The Under Secretary of Government of India has informed that the Ministry is receiving frequent requests for updating the District, Block, Gram Panchayat and Village directory in SBM-G MIS. All the States are requested to review the correctness of their respective Directories and update the same in the MIS, in one go. Henceforth, request for updation in Directory, may be sent to Ministry only after completion of manual compilation of the corrections required for the whole state.

This will enable more efficient management of the data and help the Ministry in reducing the procedures which are time taking and repetitive.

Therefore, it is requested to send the missing block names, GPs, village list if any pertains to your district to SAC so as prepare the final, state directory of our state and send the same to MoDWS for finalization of the Directory.
