

To  
All the District Collectors,  
Andhra Pradesh.

**File.No: 88/SAM/COO(S)/gEN/2017, dt:17.05.2018**

Sir,

Subject: SAC-Entry of all toilets built from noon-SBM(G) funds in the IMIS website of SBM(G)-Communicated-Reg.

Ref: No.S-11015/01/2018-SBM-Part-1, dt:10.05.2018, of the Joint Secretary, SBM(G), Ministry of Drinking Water and Sanitation (MoDWS).

@@@@@@

Attention is invited to the subject and reference cited and also find the enclosed attachment.

Vide reference cited, the Joint Secretary, SBM(G), Ministry of Drinking Water and Sanitation has informed that Districts have confirmed that the entry of toilets in the IMIS of SBM(G) is limited to households that exist on IMIS website and those households are financed from SBM(G) and also confirmed that there is an increased number of toilets that have been built/are being built from various sources including Self-investment, Corporate funding, PMAY, MGNREGS and Development partners etc, which have not been entered in the IMIS of the SBM(G). It is important that such toilets are also entered in the IMIS of SBM (G) to reflect the reality.

There is a module named "C01" already available on the IMIS of SBM (G) which can capture toilets that have been built from non SBM (G) funding sources. Districts are advised to initiate a drive to **ensure entry of all non SBM (G) financed toilets by end of June 2018.**

Therefore, it is requested to issue necessary instructions to the concerned to ensure entry of all toilets built in villages, irrespective of the funding source, in the IMIS of the SBM (G).

Yours faithfully  
**D MURALIDHAR REDDY, IAS**  
**MANAGING DIRECTOR**

All States/UTs**

**Subject : Entry of all toilets built from non SBM-G funds in the IMIS of SBM-G**

Dear Sir/Madam,

Visit to States and Districts have confirmed that the entry of toilets in the IMIS of SBM-G is limited to those Households that exist on our IMIS and those that are financed from SBM-G. States have also confirmed that there is an increased number of toilets that have been built/are being built from various sources including Self-investment, Corporate funding, PMAY, MNREGS, Development Partners etc. which have not been entered in the IMIS of the SBM-G. It is important that such toilets are also entered in the SBM-G IMIS to reflect the reality.

This is to request you to ensure entry of all toilets built in villages, irrespective of their funding source, in the IMIS of the SBM-G. There is a module named "C1" already available on the IMIS of SBM-G which can capture toilets that have been built from non SBM-G funding sources. States are advised to initiate a drive to ensure entry of all non SBM-G financed toilets by end of June 2018. Trust you will personally supervise this exercise and keep the Ministry updated on the progress.

Thanking you,

Yours Sincerely,

(Arun Baroka, IAS)  
Joint Secretary, SBM-G
