**Subject: Opening of IMIS module for allowing entry of details of balance LoB (Left out of Baseline) households who still do not have a toilet and are in the eligible category for incentive as per SBM(G) guidelines, for providing financial support for construction of toilet – reg.**

Sir,

I am directed to state that considering the suggestions/observations of some States and the discussions held with them during various workshops regarding need for financial support to the eligible LoB households to enable them to construct IHHL, in 2018 MDWS had decided to accommodate such households for funding under SBM(G). Accordingly, in order to make suitable provisions in IMIS, MDWS vide its letter dated 6.8.2018 had requested all the States/UTs to intimate the numbers of such LOB households in the States, who still do not have a toilet, alongwith district wise break up by 31<sup>st</sup> October, 2018.

2. In response, your State had intimated the total 2,25,509 no. of LOB households. Accordingly, the requisite provision was made in the SBM(G) IMIS with State/District-wise cap as per the numbers intimated by your State and the State was requested to enter details of such LOB households in IMIS alongwith Aadhaar seeding etc. However, the State had entered the details of only 1,86,690 households by the deadline.

3. Now it has been decided by this Ministry to open the relevant IMIS module to allow your State to enter the details of balance no. of 38,819 LOB households.

4. You are accordingly requested to enter the details of remaining LOB households in IMIS, if any required, upto the limit of your State cap already approved as mentioned above, by 30<sup>th</sup> June, 2019 and complete construction of IHHLs in such households by 31<sup>st</sup> July, 2019 positively.

Yours faithfully,

(Uday Narayan Sinha)
