From the above table, it is noticed that only three districts have started grounding of CSCs and the 7 districts have not yet started the work. Already in month of March, 2018 clear instructions have been issued to geo-tag the CSCs

stage wise. Unless the geo-tagging is done payments can not be released. The instructions on geo-tagging can be downloaded from SI.No.90 of our website www.sac.ap.gov.in under SBM (G) head to follow the procedure of geo-tagging. This item will be reviewed by Hon'ble CM in the regular Video Conferences.

In view of the above, it is requested to issue necessary instructions to the concerned to start the construction and complete them by the end of 31st August, 2018 duly following the geo-tagging procedure.

Yours faithfully
D MURALIDHAR REDDY, IAS
