The Commissioner PR&RD has informed that the amount to be made to TAs/FAs in respect of geo-tagging of IHHLs using **e-FMS** is pending and the FA/TAs have represented to clear the pending bills immediately. The required amounts towards payment of geotagging using **e-FMS** was already released to concerned SEs RWS in the districts. Since the details of payments to be made to FAs/TAs will be available with the concerned MPDOs, all the SE RWS are requested to release the amounts to MPDOs who in turn will take action to make payments to the concerned who have actually done the geotagging using **e-FMS**. This shall be made applicable in case of geotagging of the IHHL in 3 stages using e-FMS only, but not to geotagging of the final completed IHHL using mSBM mobile app.

Therefore it is requested to take necessary action accordingly.
