Subject: - Supplementary Annual Implementation Plan (AIP) for 2018-19 for incorporation of left out beneficiaries of Baseline Survey (BLS), 2012 – regarding.

Madam/Sir,

As you are aware, Baseline Survey (BLS), 2012 was conducted to assess the actual sanitation status in rural areas of the country and it was decided to provide incentive under SBM (G) to those eligible households that were reported to be not having a toilet as per the result of BLS, 2012. This Ministry monitors status of sanitation coverage with respect to BLS through IMIS of SBM (G). Initially, only no. figures in respect of BLS were captured in IMIS. Later, it was decided to capture the details of households (with name) against those no. figures reported in IMIS earlier.

2. However, it has been observed that there is still a gap between the no. and the detailed figures (with name) reported in MIS of SBM (G) for many States. Now, it has been decided that such left out households of BLS for which the details (with name) could not be entered in IMIS, may also be funded under SBM (G) subject to the ceiling of no. figures initially entered in IMIS.

3. In view of above, all the States are requested to send a supplementary AIP for 2018-19 to accommodate the left out beneficiaries in BLS up to the ceiling of difference between no. and detailed figures (with name) so that the same can be considered for funding under SBM (G).

5. However, actual release of funds will be subject to the detailed entry of all such left out beneficiaries (with name) in IMIS and reporting of physical progress against the same.

Yours faithfully,

(Arun Baroka)

Joint Secretary, SBM-G
