

To
All the District Collectors
Andhra Pradesh.

File No: 88(3)/SAM/COO(S)/GEN/2017, dt. 2-8-2017

Sir,

Sub: SWachh Andhra Mission-Making payment of Rs.8/- for each stage of geo-tagging of IHHL's incentive-communicated-Reg.

Ref:Request made by the districts during the meetings.

@@@@@@@@

Attention is invited to the subject and reference cited.

As you are aware the Andhra Pradesh State targeted to become ODF state by 31st December 2018. During 2017-18 seven districts ie., West Godavari, Krishna, SPS Nellore, Guntur, East Godavari, Vizianagaram and Prakasam districts are targeted to become ODF and the remaining 6 districts during 2018-19. During the review on progress of IHHLs, it is observed that there is a considerable delay in geo-tagging at the FA/TA level and some technical advice/assistance is required for proper construction of the IHHLs by the beneficiaries. Therefore, it is decided to pay an amount of Rs.8/- for each stage of geo-tagging of IHHL (and for 3 times it works out Rs.24/-) as incentive to all the FAs/TAs towards geo-tagging of the IHHL and assisting the beneficiary in proper construction of the IHHL. The amount will be released to the individual accounts of FAs/TAs directly by SAC duly meeting the expenditure from IEC/CB funds under SBM.

Therefore, it is requested to take necessary action accordingly and expedite the completion of construction of IHHLs and declare your district as ODF.

Yours faithfully,
D MURALIDHAR
