D.O.Lr.No.88 (13)/SAM/COO(S)/GEN/2017, Dated: 18.05.2018

Dear

Sub: SAC-To meet the pre-requisites for getting releases from GoI-Status of pre-requisites of all districts-Instructions to improve and upload the information in IMIS-Reg.

Ref: As per the instructions of the Secretary, PR & RD Department.

@@@@@

Attention is invited to the subject and reference cited and please find enclosed attachment.

The District wise status of IMIS parameters statement has been prepared and herewith enclosed. It is noticed from the enclosed statement that

- Even though the GPs/Villages are covered with 100% IHHLs, those GPs have not been declared as ODF. So it is requested to declare them as ODF immediately, as the MoDWS department is insisting for the same.
- Complete inter mandal verification after declaration of GPs/Villages.
- The geo-tagging percentages are less than 80% and the districts have to improve the geo-tagging and see that it shall be 100%.
- Please take up retrofitting activities such as Conversion of single pit to twin pit, Placing of Junction box if not placed before, connection of soak pit to the septic tank outlet, and any other retrofitting needed.

Therefore, it is requested to take necessary action on the above items on or before 22.05.2018 and report compliance.

With regards,

Yours Sincerely,

(B. Ramanjaneyulu)

Encl: District wise status of IMIS parameters statement.

To

All the District Collectors,
Andhra Pradesh.

Copy to all the CEOs, ZP, SEs, RWS & S, DPOs and all MPDOs for information and necessary action.
