Attention is invited to the subject and reference cited.

The Chief Executive Officer, Society for Elimination of Rural
Poverty (SERP) has requested for Rs. 81,38,088/- @Rs.8/- per ISL for
geo tagging done by VDAs of SERP with technical support of M/s
Bluefrog Technologies.

In this connection it is to inform that already necessary
instructions were issued to districts through Lr.
No.88(9)/SAM/COO(S)/GEN/2017, 26.10.2017 to release the payments
to VDAs/FAs/TAs/PSs who are involved in geo-tagging of the final
completed IHHL using m-SBM app. Since already required amount is
released to the Districts, few of the districts might have already made
the payments.

Therefore, it is requested to cross check with the SEs RWS
and PDs DRDAs duly obtaining the information on releases already made
if any towards geotagging of IHHL using m-SBM app by the districts and
ensure that no double payment is made to the agencies.

Yours faithfully,
D MURALIDHAR REDDY,IAS
MANAGING DIRECTOR

Copy to all SEs RWS & all PDs DRDA with a request not to release any
further payments to VDA/FAs/TAs/PSs towards geotagging using m-SBM
app as the total amount was released to CEO, SERP.
