

TALKINK POINTS FOR TELECONFERENCE

Issue:- Disparities in e-FMS Vs IMIS entries.

e-FMS

1. Go to “**Review report of IHHL Status**” under State Reports from e-FMS site.
2. Obtain the **physical progress** of IHHLs taken up under SBM (Completed+Inprogress)
3. Mandal wise/GP wise/Beneficiary wise information shall be obtained.

IMIS

1. Go to” {**Format A21**} – **Statewise status of IHHL convergence with MNREGA or IAY for the financial year**” under Physical reports.
2. Select financial year, click on “Submit” and select the State to get the information of your District.
3. You may navigate the above report to obtain the information of IHHLs taken up under different schemes, take the information separately starting from the financial year **2014-15, 2015-16,2016-17 & 2017-18** under column ” **Reported only under SBM**” separately.

“TO DO”

1. Compare Physical progress, e-FMS Vs IMIS mandal wise/GP wise.
2. e-FMS = IMIS : No issue.
3. e-FMS < IMIS : Data need to be updated in IMIS as already having toilets.
4. **e-FMS > IMIS:** This is a serious issue.
 - a. Village wise details may be worked out incase of Non-ODF Villages/GPs/Mandals and IMIS data may be shifted from surplus Villages/Mandals/Districts and data shall be updated to match with the e-FMS.
 - b. In case of ODF but not verified Villages/GPs/Mandals, they may be declared Non-ODF and IMIS data may be shifted from surplus Villages/Mandals/Districts and data shall be updated to match with the e-FMS.
 - c. In case of ODF declared & verified verified Villages/GPs/Mandals, village details may be furnished to SAC. As of now there is no provision to modify the data in ODF decalred & verified verified Villages/GPs/Mandals. GOI will be requested to provide the edit option.
 - d. The beneficiaries which are erroneously updated either as “Already having toilets” or “Under own construction” in B02 module need to be updated after

- e. comparing the beneficiary details in e-FMS. Since there is no such provision in IMIS all the Districts are requested to furnish the beneficiary data which need to be corrected so as to address NIC, MoDWS to make necessary corrections/updates.

Observations

1. Toilets constructed under SBM(G) are not updated properly in IMIS.
2. Number of entries in IMIS are not matching with e-FMS.
3. Mis-match of entries from e-FMS to IMIS.(Count wise & Beneficiary Name wise)
4. Ignoring the selection of “**IS Final Payment**” check box in C01 data entry module after completion of financial entries. Information shall be obtained from Column.6 from ER06 report under **Data Entry Management Menu->ER-Entry Reports.**
