Attention is invited to the subject and reference cited.

Vide reference 1st cited, the Joint Secretary, SBM(G), Ministry of Drinking Water and Sanitation has informed that the provisional approval on ceiling for entering the details of left-out households in BLS 2012-13 in IMIS of SBM (G), has already been conveyed to the States which is subject to final approval of National Scheme Sanctioning Committee (NSSC).

Further, it is to inform that the toilets constructed for left out households in Baseline Survey should first be mandatorily geo-tagged and then physical & financial progress to be reported on IMIS of SBM(G).

In view of the above, vide reference 2<sup>nd</sup> cited it was requested to take up the construction of IHHLs & complete by 31.01.2019 including physical & financial entries. But the physical & financial details entered by districts are very low (the entries report is herewith enclosed).

Therefore, once again it is requested to issue necessary instructions to the concerned to enter the physical & financial entries of LOB households which are already grounded and in progress also in IMIS website by 31.01.2019 without fail

Yours faithfully
